About the School

It is an exciting time to be joining BBS. In April Ofsted noted in its inspection that “leaders are driven and determined” and that the school is “taking effective action to improve the quality of education”.

This year we have converted to a horizontal pastoral structure to ensure we can give bespoke support at each year group level. We have also embedded a whole team devoted to our Year 7 cohort as we recognise the need to nurture following lost learning at such a young age. We take pastoral care incredibly seriously at BBS and have a superb team of staff who always put the interests of the community first.

The school is implementing a new and innovative Teaching and Learning strategy which has been created by the staff team, matching the needs of our school and its community. Staff who have a passion within this area will find that there are numerous opportunities to share good practice and get involved in developing pedagogy throughout the school and across our Primary Cluster.

As an inclusive school, our aim is to provide an excellent education for all students, no matter what their background, needs or abilities. This is an exciting time to join the school if you are someone who embraces change and enjoys trying out new things.

Your Professional Learning

We are very proud of our professional development opportunities in the school. All teachers, whether you are an NQT or Senior Leader, are expected to improve their craft in the classroom and to share their expertise with their colleagues. This will include the successful applicant to this post.

Our CPD provides personalised learning opportunities to support staff to meet their appraisal objectives and to help them move on to the next stage in their teaching career, whether that is securing the foundations during their ECT or working with staff who aspire to leadership.

We extend this CPD throughout our staffing structure. Both the SEND and Pastoral teams have weekly CPD enabling them to develop professionally and ensure that we have highly trained and knowledgeable staff who can understand the needs and requirements of all of our students.
