

A Welcome from Andrea Bell, Head Teacher at New Road Academy

Thank you for your interest in joining New Road Academy. As part of the Learning Community Trust, we are a vibrant, ambitious and diverse school that places our students at the heart of everything we do. Every decision, every strategy, and every improvement is driven by one purpose: *ensuring our young people thrive.*

Our Academy values – **Ambition**, **Respect** and **Courage** – shape the culture you will feel the moment you walk through our doors. They guide how we work with our students, with our families, and with one another. We are proud of the inclusive, energetic and forward-thinking community we have built, and we are excited to welcome colleagues who share our commitment to making a real difference.

New Road is a school on a journey, and it's an incredibly positive one. If you are passionate about improving life chances, believe in the power of strong relationships, and want to be part of a team that genuinely works together, then we would be delighted to receive your application.

I look forward to the possibility of welcoming you to our Academy.
